

ASE Entry-Level Certification Examinations

Credential Source

Name	National Institute for Automotive Service Excellence (ASE)
Web Site	http://www.ase.com/Tests/ASE-Certification-Tests/Test-Series.aspx
Contact Information	National Institute for Automotive Service Excellence (ASE) Denise Webb, Director, Customer Service 703.669.6600 dwebb@ase.com

Credential Contractor

Name	Same as source
Contact Information	Brittany Miller, Manager, Operations bmiller@aseeducationfoundation.org 703.669.6650

Test Administration

Test Site	School
Can the instructor take this test?	No
Details	<p>http://www.ase.com/Entry-Level/</p> <p>Pass any one examination from Automobile, Collision Repair and Refinish, or Medium/Heavy Truck to obtain this certification:</p> <p>Automobile</p> <ul style="list-style-type: none">• Automatic Transmission/Transaxle• Automobile Service & Technology• Brakes• Electrical/Electronic Systems• Engine Performance• Engine Repair• Heating and Air Conditioning• Maintenance and Light Repair• Manual Drive Train• Axles Suspension and Steering <p>Collision Repair and Refinish</p> <ul style="list-style-type: none">• Mechanical and Electrical• Non-structural Analysis and Damage Repair• Painting and Refinishing• Structural Analysis and Damage Repair <p>Medium/Heavy Truck</p>

	<ul style="list-style-type: none"> • Brakes • Diesel Engines • Electrical/Electronic Systems • Suspension & Steering
Number of Test Items	40-80; varies per test
Time Allowed	40-90 minutes; varies per test
Passing Score	50%-57.5%; varies per test
Cost	\$40-\$45 per student
Additional Information	N/A
Accommodations	<p>Students with disabilities</p> <ul style="list-style-type: none"> • Multiple test sessions • Time of day • Order of tasks (Available only for Manual Drive Train) • Planned breaks during test • Test location • Adaptive or special furniture • Special lighting • Written directions accompanying oral directions (Not available for Electrical/Electronic Systems) • Specific verbal prompts (Not available for Electrical/Electronic Systems or Medium/Heavy Truck: Brakes) • Visual aids (Available only for Automobile Service & Technology, Brakes, Engine Performance, Engine Repair, Heating and Air Conditioning, and Maintenance and Light Repair) • Amplification equipment (Available only for Heating and Air Conditioning, Maintenance and Light Repair, Manual Drive Train, and Axles Suspension and Steering) • Headphones, earmuffs, or ear plugs (Not available for Automobile Service & Technology, Electrical/Electronic Systems, Engine Performance, or Engine Repair) • Large-print test (Available only for Automobile Service & Technology, Brakes, Electrical/Electronic Systems, Engine Performance, and Engine Repair) • Read-aloud test • Audio test (Available only for Automobile Service & Technology, Brakes, Electrical/Electronic Systems, Engine Performance, and Engine Repair) • Interpreting/transliterating testing directions • Interpreting/transliterating the test • Enlarged copy of the answer document (Available only for Automobile Service & Technology) • Communication board or choice cards (Available only for Electrical/Electronic Systems, Maintenance and Light Repair, Manual Drive Train, Axles Suspension and Steering, Painting and Refinishing, Structural Analysis and Damage Repair, Medium/Heavy Truck: Brakes, Medium/Heavy Truck: Diesel Engines) • Examiner records responses

- Word processor or word processor with speech-to-text (Available only for Automobile Service & Technology)
- Augmentative communication device (Not available for Automobile: Brakes, Engine Performance, Engine Repair, or Axles Suspension and Steering)
- English dictionary
- Dictation using a recording device (Available only for Non-structural Analysis and Damage Repair)
- Dictation to a scribe
- Read back student response
- Calculator and arithmetic tools
- Calculator with additional functions
- Math aids (Not available for Automobile Service & Technology)
- Dry erase board
- Additional writing implements (Available only for Automobile Service & Technology, Automobile: Brakes, Electrical/Electronic Systems, Engine Performance, Engine Repair, and Maintenance and Light Repair)

English Learners

- Audio test (Available only for Automobile Service & Technology, Automobile: Electrical/Electronic Systems, Engine Performance, Engine Repair Heating and Air Conditioning, Maintenance and Light Repair, Manual Drive Train, and Axles Suspension and Steering)
- Bilingual dictionary
- Dictation to scribe
- English dictionary
- Examiner records responses
- Flexible schedule
- Multiple test sessions
- Read-aloud test
- Test directions delivery
- Visual aids (Available only for Automobile Service & Technology, Automobile: Brakes, Electrical/Electronic Systems, Engine Performance, and Engine Repair)

Possible Preparatory Courses

Auto Body Technology I (8676/36 weeks, 140 hours)

Auto Body Technology II (8677/36 weeks, 280 hours)

Auto Body Technology III (8678/36 weeks, 280 hours)

Automotive Technology I (8506/36 weeks, 280 hours)

Automotive Technology I (MLR 3-Year Program) (8502/36 weeks, 140 hours)

Automotive Technology II (8507/36 weeks, 280 hours)

Automotive Technology III (8508/36 weeks, 280 hours)

Diesel Equipment Technology I (8613/36 weeks, 280 hours)

Diesel Equipment Technology II (8614/36 weeks, 280 hours)

Diesel Equipment Technology III (8615/36 weeks, 280 hours)
