Let's Talk

Reflect on Your **Grocery Buying Process**, and think about how you restock your refrigerator.

- Do you start with a budget?
- Do you consult with your spouse or others in the household?
- Do you make a list?
- Do you prefer to freestyle your process?
- Do you wait until the food is low before you restock?

Drop your comments in the chat.

COMPARING A REFRIGERATOR RESTOCK TO OPERATING A SCHOOL STORE

Differences and Similarities

REFRIGERATOR

- Think about what you want to buy
- Purchase Items
- Stock Refrigerator
- Evaluate Waste

Brainstorm Purchase

Restock

Evaluate

SCHOOL STORE

- Think about what you want to buy
- Purchase Items
- Stock the store
- Evaluate Profits

KEY #1: DESIGNING STUDENT SYSTEMS

CREATE DEPARTMENTS

HIRE MANAGERS

HIRE STAFF

Establish a Student-Led Hiring Process

- Equitable hiring practices
- Hiring panels with a combination of students and CTE educators
- An interview scoring process

Let's look at this in action: TSS Crewmember Interviews (10/23)
